

Peace

Please no more fighting,
My heart is full of pain,
Please no more fighting,
It's driving me insane.

Please no more fighting,
It started at 11o'clock,
Please no more fighting,
I'm begging for it to stop.
Please no more fighting,
With all the guns and bombs,
Please no more fighting,
And all the stinky pongs.

Please no more fighting,
Can we stop for a day at least,
Please no more fighting,
Can I just have some peace?
